

The Oxbow School: Items to Bring

At Oxbow, we believe that excessive material clutter distracts from the core objectives of personal, creative, and academic growth. As a result, we strive to minimize the amount of consumption and waste on institutional and personal levels. While packing for your semester at Oxbow, please keep these principles in mind.

Oxbow provides basic cleaning supplies throughout the semester. All these items will be detailed to students upon arrival at orientation. If a student wants to acquire additional or different supplies (laundry supplies or specific cleaners needed for health reasons) they must purchase those on their own. Once students arrive at Oxbow, they will have an opportunity to visit local stores to get items they may need.
